## Recliner's Revolution

### • POWER RECLINE

The Dual Motor Drive increases fast synchronized movement - speed from upright to fully reclined position in just 6 seconds.

### • POWER LUMBAR

The adjustable lumbar supports the back for optimum comfort - from 0 to 3.5 inches.

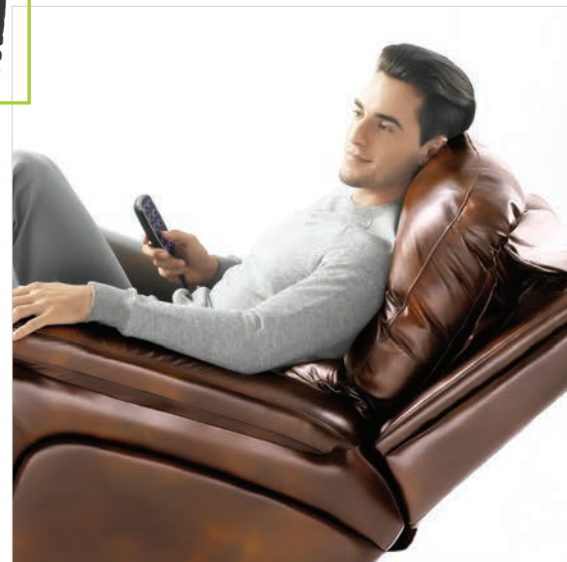

### • POWER ADJUST

The Dual Motor Drive helps raise and lower the back and footrest independently.

### • POWER-TILT HEADREST

The adjustable headrest increases more personalized comfort - infinite angles between 0 and 55 degrees.
